Office of the Staff Judge Advocate, Luke AFB, AZ, (623) 856-6901

The following are community legal resources for the Phoenix area. These resources are available for persons with limited financial means and who cannot afford to hire an attorney. Many of the centers listed provide legal services “pro bono,” i.e., for free. However you must also qualify for assistance by falling within a certain limited income bracket. Nonetheless, these resources are often invaluable and highly accessible.
